## AMPLEFORTH PARISH COUNCIL

### NEWSLETTER

*March 2012*

**Children from St Hilda's and St Benedict's schools spent a morning in the autumn term planting over over 200 plug plants of various wildflowers and hedgrow trees to improve the biodiversity of the Millennium Green.**

### **Celebrate The Queen's Diamond Jubilee on June 4<sup>th</sup> in Ampleforth**

It is hoped to include activities for all ages, such as open gardens, scarecrow competition, children's games (incl. ones popular in the 1950s), archery, Irish music and dancing, small stalls (crafts, guess the weight of the cake etc.), and hopefully a BBQ.

The organisers are looking for further suggestions, and also for volunteers to help in any capacity, in preparation or on the day. If you would like to help, or have any suggestions for items to be included on the day, please contact Sheila Harrison on 01439 788279 or [sheilaharrison@btinternet.com](mailto:sheilaharrison@btinternet.com)

### **Ampleforth United Charities Trustee Needed**

As a trustee you will help manage the allotments, the garages, and grants and with the administration of the Charities. There are 2 or 3 meetings a year which usually last just over an hour. The council selects the trustee and the appointment is for three years.

For more information please contact Lesley Beck on 01439 788483, Nettle Meadow, West End, Ampleforth, YO62 4DY.

To apply please contact the clerk by Friday 4 May 2012.

### **Superfast Broadband - News from community group**

The Broadband User Group (BUG) is up and running, with representatives from Ampleforth, Oswaldkirk, Gilling, Wass and smaller villages in the area, as we are not sure about the range of the service we will receive. NYCC is managing the provision of the rural broadband services and aims to have North Yorkshire fully connected by 2017. NYCC intends to set up a closed list of 8-10 ISPs for the entire County.

Villages will be clustered together around the technical feasibility of using the same connection service and a provider will be chosen from the list. The aim is to start with one cluster per District Council and we have to bid against other groups of villages to go first in Ryedale. Preparation is in hand and we will know if we are successful by June or July. If not, we will have to wait until a later date. Success depends very much on showing that there is a real need for the service, so if you still haven't filled in the Broadband Questionnaire on the County Council website, please do so -

### **ANNUAL PARISH MEETING**

**Wednesday 25<sup>th</sup> April 2012 at 7.00pm at the Village Hall**

**Everyone is invited to attend this meeting**

**THIS IS YOUR OPPORTUNITY**

**to meet and ask questions of the parish council,**

**County and District councillors**

**and Ms Jill Thompson, Forward Planning Manager, RDC**

### **Housing Needs Survey Ampleforth Parish**

Please look out for this survey either with this this newsletter or through the post and reply or pass it on if you know of anyone in housing need in, or with a connection to, Ampleforth.

### **One more councillor**

The parish council would like one more councillor to represent Ampleforth and to help with the workload. The council has to petition the electorate of Ampleforth Parish and the petition will be available to sign at the Annual Parish Meeting.

### **Ampleforth Parish Council's Budget for 2012-2013**

The budget was discussed and agreed at the council's December meeting and a precept of £16,500 was agreed.

The main sources of income are the precept, about £200 for common share rents, burial fees, a grant from the North York Moors National Park Authority towards the upkeep of the village and funding from NYCC towards cutting the verges.

The main expenses are general village maintenance – cutting the verges, the Millennium Green and St Hilda's Churchyard and the cemetery, looking after the Millennium Green and the trees along the main street, keeping the stream and the horse trough clear, streetlighting energy and repairs, insurance, administration (website, travel expenses, clerk's salary, training, village hall rent etc.), subscriptions, snow clearance, a contingency budget and grants. In 2011-2012 the council made the following grants.

RDC Chairman's Charities	£50	Citizens Advice Bureau	£150
St Benedict's Church	£250	Ampleforth Playing Field	£650
